- In jackpot qualified games, the dealer will remove \$1 from the pot at \$5 and \$1 at \$10 and \$1 at \$15 for a total of \$3 for the player funded jackpot fund. There must be at least \$10 in the pot (all called bets including rake and jackpot) to qualify, unless otherwise stipulated above. Must be 4 players to collect a jackpot and to qualify for jackpot.
- All high hands require AAA²² to qualify except non-promotional hours & Sundays.
- 1 or 2 cards in hand
- Any No Limit Texas hold'em or pot limit Texas hold'em game can "run it twice" in which there is a second set of community cards. The second board will qualify for jackpots (with \$10 pot minimum) and will be subject to an additional \$3 Jackpot Rake.
- Jackpot participation for any game is at the sole discretion of management.
- Winners must be present to collect prize at scheduled time.
- Winners will be paid in cash or chips and can choose to add any or all of the chips to their stack. If added to the stack the chips must remain on the table in accordance with table stakes rules.
- Players must be 18 years or older.
- Any discussion of the hand in the attempt to induce other players to call may be deemed collusion and will cause the jackpot to be void. Any attempt to manipulate the clock may be deemed collusion and cause the jackpot to be void.
- The Big Easy Poker Room rules permit a guest 25 seconds plus a 5 second countdown to act on their hand prior to the hand being declared dead. This rule does NOT permit the use of that time to influence a jackpot result.
- Must be the best possible winning hand of the main pot to qualify for jackpot except as noted.
- Management reserves the right to amend or cancel this and any promotion at any time.
- Players that have been trespassed or banned by The Big Easy Casino who have opted into the self-exclusion program are prohibited from participating.

- By accepting a prize, a winner agrees to allow the use of his or her name, voice, photograph, likeness and any information provided on the entry from, in any media known or hereafter invented and for any purpose, including advertising, promotional or other purposes by The Big Easy Casino without further compensation, authorization, or remuneration.
- Up to \$500* please refer to amount of tables chart.

Omaha Games

Management may choose to allow Omaha games to qualify for player funded jackpot and collect jackpot in the same way as Texas Hold'em, except as noted: In Omaha a player must flop a qualifying hand. The player with the winning jackpot hand must also be the player with the winning hand and cannot be revealed until all action is complete for that hand. Only the flopped hand qualifies for the jackpot. In Omaha games running it twice is NOT subject to an additional jackpot rake and only the first flop qualifies.
